

ODP-81-1227
5 October 1981

MEMORANDUM FOR: Chairman, Publications Review Board

THROUGH : Chief, Systems Programming Division
Deputy Director for Processing, ODP
Director of Data Processing
Deputy Director for AdministrationSTAT FROM : [redacted]
Systems Programming Division, ODP

SUBJECT : Request to Speak [redacted]

STAT

1. I request permission to discuss current trends in the computing industry with computer science students [redacted]

STAT

STAT 2. When approved, I intend to speak at the [redacted] on October 21st. The audience will be comprised of students participating in the senior seminar for computer science majors. I will be featured as a guest lecturer.

STAT

3. None of the material to be presented is classified or controversial. I will discuss how the computing environment is changing, how this will affect the structure of data processing organizations and characteristics of automated systems, and how the programmer can adapt. My remarks will not deal directly with Agency computing systems, but will address changes that are surfacing throughout the industry. I will cite some unclassified examples showing how these trends have affected the Agency as "a large organization dependent upon computers." While at [redacted] I will also be recruiting. One objective of this talk is to present the Agency as a technologically exciting place in which to work. The text shown on the slides is attached.

STAT

4. I am not under cover and will be identified as an Agency employee. I will also give the standard disclaimer that the views expressed are my own and not necessarily those of the Agency. The appropriate officials of the University will be informed of my intention to visit the campus.
